Lords of the Lowbrow

Various narrative, cartoony, vulgar, overexcited, morbidly obsessive and/or dragster-arty, the lowbrows in this group show happen to include a few of our favorite artists. Lowbrow god Robert Williams is the de facto headliner, but the rest are all mighty: Joe Coleman, David Sandlin, Gary Panter, Anthony Ausgang, Jonathan Shaw and Ron English. Expect blood, guts, goofy cartoon animals, big tits and popping eyeballs. The reception's tonight, 7-10, and the show's up through Oct. 31 at the Ozone Art Gallery, 400 Broome St. (Cleveland Pl. at Kenmare St.), 965-1719.
