MODERN TRIBALISM

TATTOOS BY
JONATHAN
SHAW

Photos By Clayton Patterson

Almost everyone who has made an important contribution to the American art scene has lived, or passed through, New York City's infamous Lower East side. Things that manage to flower there have the power to alter American art.

Hidden away in the shadows of that great city is an artist whose work is changing the direction of modern tattooing. His name is Jonathan Shaw.

An international artist, he opened his first tattoo studio in Rio de Janeiro, Brazil. "I wasn't
